

E-Commerce Frequently Asked Questions (FAQs)

How can I track my order?

Customers can track their orders using the tracking ID sent via email or SMS after dispatch.

What payment methods are accepted?

We accept debit/credit cards, bank transfers, digital wallets, and cash on delivery.

How long does delivery take?

Standard delivery takes between 2–10 business days depending on the customer location.

Can I return a product?

Yes, returns are accepted within 7–14 days if the product is unused and in original condition.

What should I do if I receive a damaged product?

Customers should contact support immediately with photos of the damaged item.

Do you offer international shipping?

Yes, selected products are available for international delivery.

How do I change my delivery address?

Customers can update delivery details before the order is dispatched.

Can I cancel my order?

Orders can only be cancelled before dispatch.

How do I contact customer support?

Customer support can be reached via email, phone, or live chat.

Do products come with a warranty?

Electronics and selected products include warranty coverage depending on the brand.

How to resolve missed delivery

You can either provide us your next available day, an alternative location to deliver to or another phone number to contact.

What happens if a product is damaged when delivered to me?

All products that were delivered damaged would be replaced. All you need to do is send a picture of the damaged product to our support email, customersupport@gmail.com, and a new item will be processed within 4-10 working days.
